

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary does not serve the public interest. It is one-sided propaganda. The only way it should be aired is as a paid political ad which is what it is. It should be subject to all the rules and regulations any political ad must conform to.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. The FCC needs to put their foot down and tell Sinclair they can not do this. The FCC must not be partisan. If the FCC allows Sinclair to air this propaganda as a "news documentary", they might as well come out and state they are in support of George W. Bush and lose the integrity they now have.

Please make the right decision and do not allow Sinclair Broadcast Group to manipulate the American public in this way. It is not only wrong, it is illegal.
